Notice of THC Surcharge Adjustment for Philippine Line

Dear Valued Customers:

Due to the increase in loading and unloading costs at Philippine ports, our company will adjust the import and export THC rates for Manila Port and Subic Port from June 20th. The adjusted rates are as follows:

| PORT       | Surcharge Code | Payment term | 20' Dry             |                | 20' RF/AK           |                | 40' Dry             |                | 40' RF/AK           |                |
|------------|----------------|--------------|---------------------|----------------|---------------------|----------------|---------------------|----------------|---------------------|----------------|
|            |                |              | Original rate (USD) | New rate (USD) | Original rate (USD) | New rate (USD) | Original rate (USD) | New rate (USD) | Original rate (USD) | New rate (USD) |
| PH.INBOUND | DTHC           | Collect      | 200                 | 240            | 250                 | 300            | 245                 | 294            | 320                 | 384            |

| PORT        | Surcharge Code | Payment term | 20' Dry             |                | 20' RF/AK           |                | 40' Dry             |                | 40' RF/AK           |                |
|-------------|----------------|--------------|---------------------|----------------|---------------------|----------------|---------------------|----------------|---------------------|----------------|
|             |                |              | Original rate (USD) | New rate (USD) | Original rate (USD) | New rate (USD) | Original rate (USD) | New rate (USD) | Original rate (USD) | New rate (USD) |
| PH.OUTBOUND | THC            | Prepay       | 200                 | 240            | 250                 | 300            | 245                 | 294            | 320                 | 384            |

Note: The effective date from / on June 20th, 2026 (ETD POL)

Thanks very much for your usual great support.

Sincerely,  
Sales Department of Sinotrans Container Lines Co. Ltd.
